Onion Sets and Seeds for next year. Send us your Onion Set and Seed order for next season at once. We are now booking growing orders at very close prices for next season, and if you will mail a list, showing the Seeds and Onion Sets you want prices on for next year, we will quote by return mail. This is important, as the European situation will prevent many varieties of seeds coming to this country, and some sorts of seed even with good crop conditions, will undoubtedly be much higher than they are at present, so do not delay sending us your list to figure on. Merchants who buy early before crop failures are known, get the best prices. **WRITE US AT ONCE. WE SELL BULK SEEDS ONLY, DEAL ONLY WITH MERCHANTS AND SO PROTECT YOUR TRADE. WE BELIEVE YOU APPRECIATE THIS.** If so, write us at once for our lowest prices to merchants on Seeds and Onion Sets for next year.
